hke3@cornell.edu

The Molecular & Behavioral Neuroscience Institute, Michigan Medicine / Research Assistant

May–July 2025, Ann Arbor, MI

Assisted in a neuroscience wet lab under Dr. Stephanie Bielas

Gained hands-on experience with micropipetting, cell culture maintenance, DNA electrophoresis, and sample collection from live rats

Helped conduct experiments, troubleshoot protocols, and collaborate with lab members

Developed a stronger understanding of experimental design, lab workflow, and scientific problem-solving

Northside Grill / Host / Team Member

January - August 2025, Ann Arbor, MI
